

Lilanga elihle lamhlanje, Kodwa izitalada kazilamuntu njalo kuthe cwaka nje indawo yonke.

Izitolo zivuline loba kulempahla ezilutshwana ezithengiswayo. Amagedi ezikolo avaline, akula ngitsho lamuntu oyedwa.

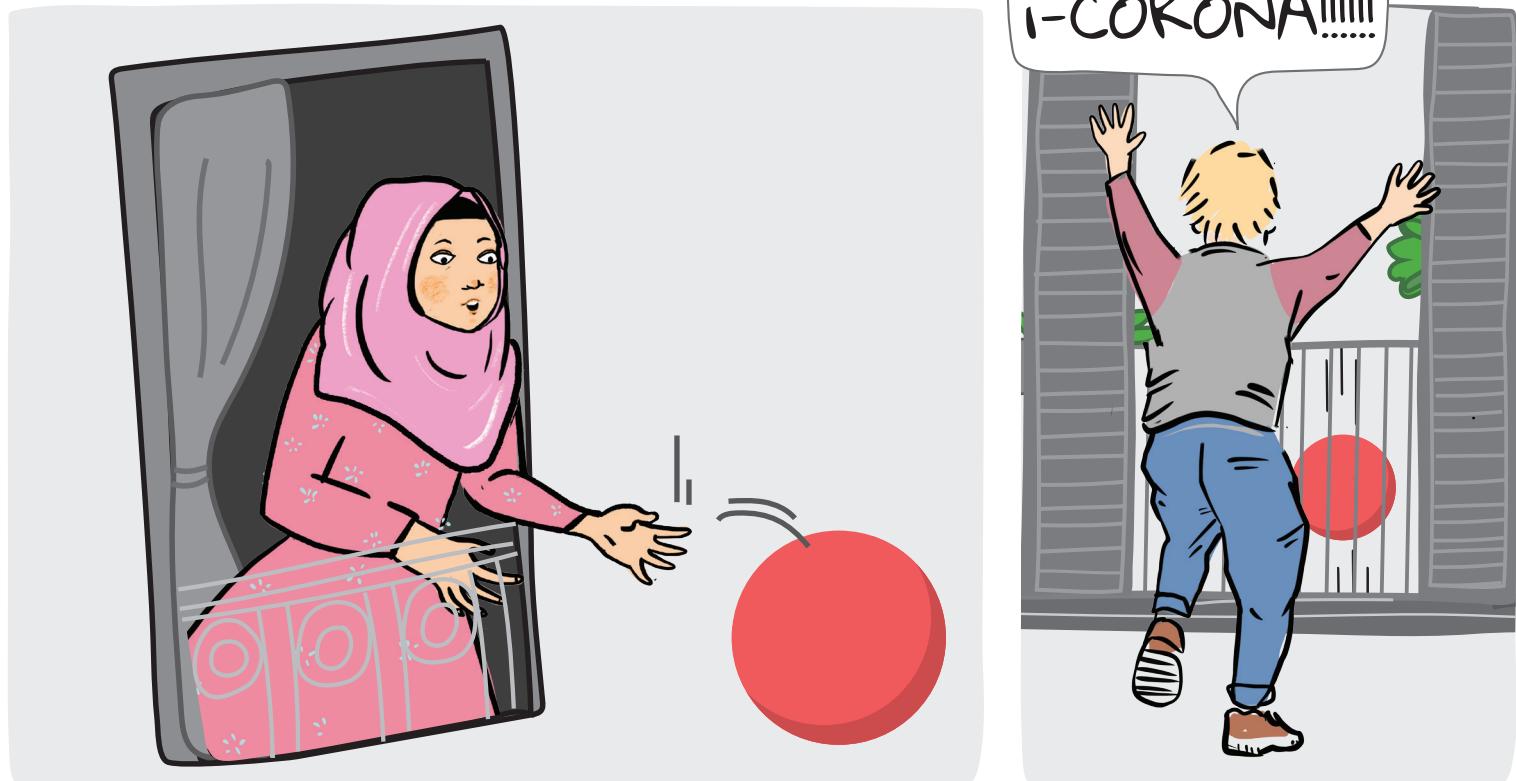

Izikolo zivaliwe. U-Amina, UOliver, UTara lo-Busani bavalelwe ezindlini. Kabakujabuleli ukuba ngekhaya ngoba kabavunyelwa ukuphuma endlini.

Malume, "kuyini i-Corona le ekhulunywa ngumuntu wonke?"
"Sizakufa yini sonke?" Abantu abanengi bahlukumezekile.
Mina ngiyakuzonda ukuhlala ngivalelwe ngekhaya ngingadali labangane bami. Senzeni?

Busani, hhaliseka. I-Corona ligcikwane. Liyafana lamagcikwane wonke akhona abangela ubuhlungu esifubeni, emphineni, isihlabo lokuphefumula nzima. Amathe aphuma nxa uktwhehlela lanka uthimula amemetheka ijcikwane leCorona. Ngizakuthumela umbiko olakho konke ongadinga ukwazi mayelana le-Corona.

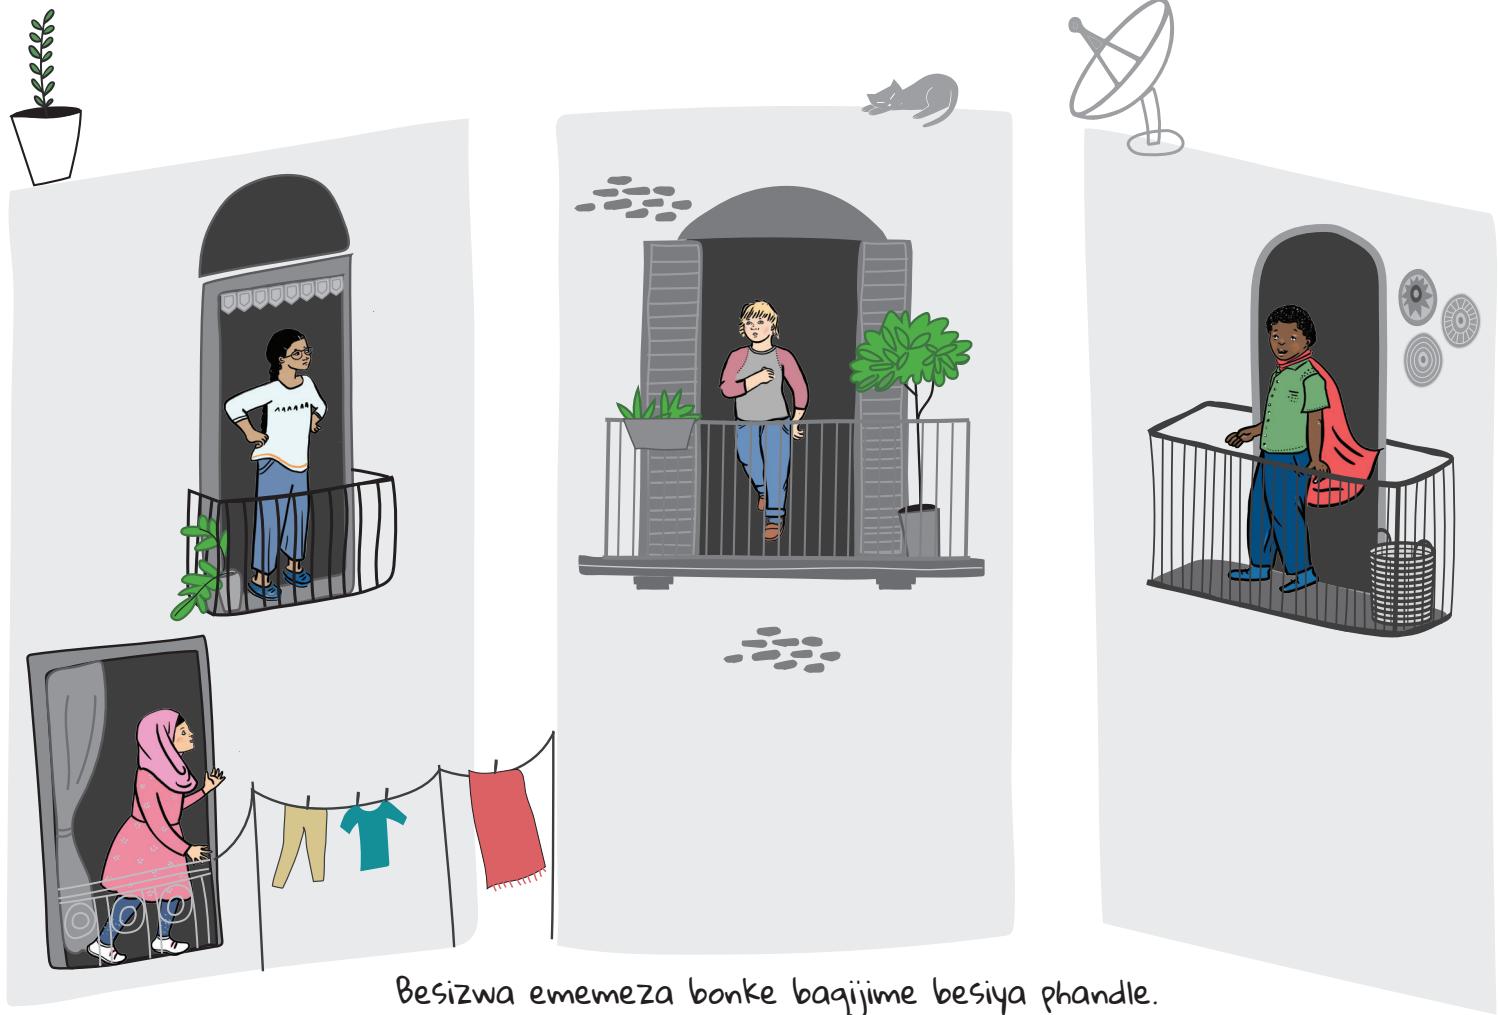

Ngokudana okukhulu, u-Busani udinga impendulo ngalokhu okwenzakalayo. Utshaya ucingo etshayela umalumakhe ongudokotela omkhulu edolobheni.

Sibona ibhola lisiwa phambi kwefasitela lika Oliver.

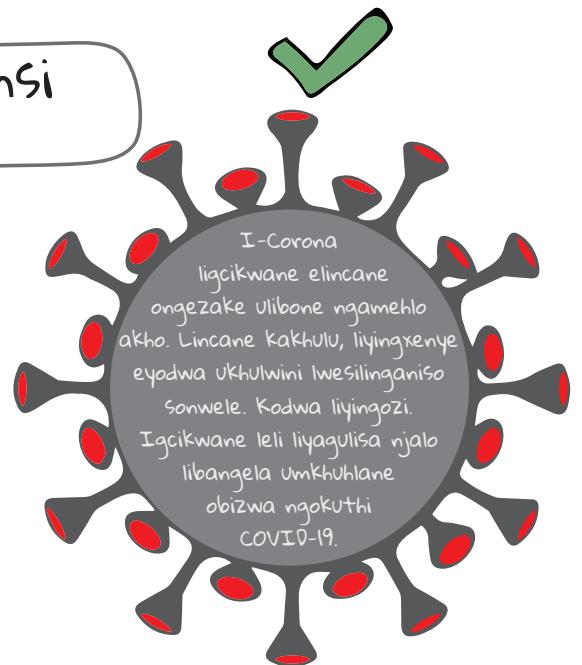

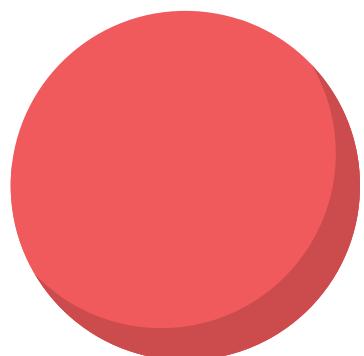

Amemeze egijima esiyaphandle

Besizwa ememeza bonke bagijime besiya phandle.

Kayisiyo Corona le. Nansi
i-Corona!!!

Lokhu ngiyakwazi.

Qiniso Amina, ukwazi lokhu.

Kwenzenjani Amina?
Udaneleni?

Kusasa lusuku lokuzalwa komnawami oyintombazane. Besesilungiselele umdlalo wakhe kodwa abazali bethu bathe umdlalo awusekuba khona. Selokhu ekhala, sengimzwela.

Akulunganga ukuthi usana lungathakazeleli usuku iwalo lokuzalwa. Akula muntu phakathi kwethu olegcikwane, sonke sigcinakele.

Bafowethu, lokhu ngokokuthi singineke, singabilomkhuhlane. UKungineka kugakathekile okwakhathesi.

I-Corona kayihloniphi mingcele, ingavela loba ngaphi loba kuse Africa, e-Asia, e-Melika lase-Europe... emadolobheni amakhulu lamancane kanye lemaphandleni.

Qotho, akukhatthalekile ukuthi sihlala edolobheni kumbe emaphandleni - liyafika igcikwane kuzozonke lezindawo. Amadolobho akhanya ehlaselwe ngumkhuhlane lo kakhulu ngenxa yokwanda kwabantu.

Qiniso, umuntu oleCorona angathimula, akhwehlele kumbe axhawule abanye igcikwane lilokwega kuye liyekwabanyeabantu abangabe bengelalo. I-Corona ingangena ngomlamo, ngamehlo kumbe amakhala

Manje singazinjani ukuthi siyagula ngenxa yegcikwane le-Corona. Umama ukewathimula namhla ekuseni. Engabe eselegcikwane le-Corona na? Uzakufa yini?

Ukuthimula kanye akutsho lutho. Kodwa ungabe usulawo umkhuhlane we COVID-19 lanxa ungazizwa ugula. Njalo ulakho ukuwumemethekisa kwabanye. Yiso isizatho esenza i-Corona imemethike lula kulomviimbano esiwejayeleyo.

I-Corona ingangena emzimbeni iyazalana yande. Sekwenzakele lokhu amasotsha ethu omzimba ayagala ukulwisanallegcikwane kubangela ukuthi imizimba yethu itshise kakhulu umuntu akhwehlele. Abantu abavele begula kumbe asebeleminyaka engu 50 kusiya kubo, njengo khulu logogo yibo abasengozini yokuhlaselwa ligcikwane bagule kakhulu. Kuyadingeka ukuthi belatshwe ezibhedlela ukuze basile.

Kodwa mina ngilosizi ngodadewabo kaAmina.
Kumele athakazelele usuku lwakhe lokuzalwa.

Abazali baka Amina benze into eqondileyo ukuvikela
udadewabo ka-Amina laye wonke umuntu obezakuza
emdlalweni.

Hlalani ezindlini lidlelane
labemuli kuhphela.

Kakube lokuhelana phakathi
kwenu logogo lokhulu lanka lihlala
ndlu yinye.

Ungaphumi phandle njalo nje
ngaphandle nxa kugakathokile,
njengokuya thenga ukudla.

Lokhu kubizwa ngokuthi yikuuhelana, social distancing ngesilungu.

Kulungile. Amina ungadani, ngoba imuli yakho
izama ukuvikela wonke umuntu.

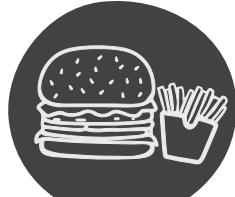

Ukuuhelana yinto eyadwa eqakathokileyo efanele ukuthi
yenzwe ngumuntu wonke ngalesi 'sikhathi. Kuyindlela
esebenzayo ekuvikeleni ukumemethoka kwegcikwane kanye
lokunanelela ukuthi igcikwane kalingeni emizimbeni yethu. Yiso
isizatho izikolo zivaliwe - emadolobheni lasemaphandleni. Kutsha
ukuthi kuzaba yisikhathshana lingahlangani labangane benu.

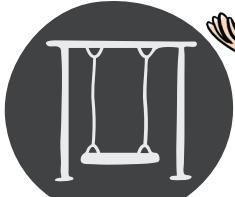

Abazali bami bathe ukuuhelana kugogela ukungahlanganeli labantu
embuthanweni. Imibuthano efana

lamabhayisikopo

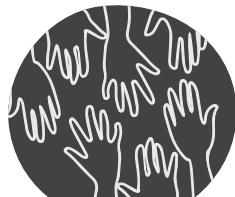

lendawo zokudela

lendawo
zokuziphumuza

lemidlalo yebhola

imihlangano
yezigaba

imithimba
yokuzithokozisa

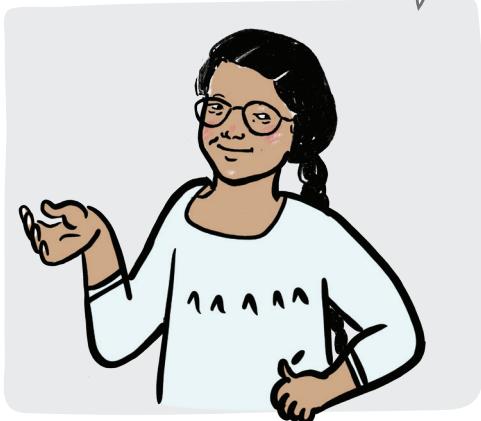

Yebo, kumelele sengabele ukumemetheka kwegikwane. Unanzelele ungaavumeli igcikwane emzimbeni wakho.

Kodwa asingeke sikhale endlini zikhathi zonke. Kuyadingakala ukuthi siphume phandle siyethenga ukudla kumbe ukuyakudokotela. Senze njani?

Ugondile Oliver. Kodwa kulekulula esingekela ukukwenza ukuthi singazifaki engozini nxa sithe saphuma phandle

okufana logabujana, ukwangana, kumbe ukuxhawulana.

Iokubingeleta ngokubobotheka nje kumbe ukukhuluma lomunye wakho kwenele.

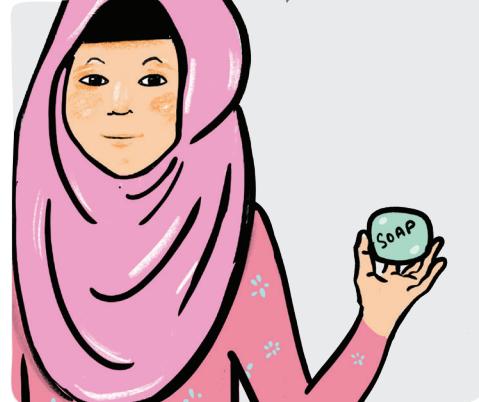

Ukuqhelelana ngamamitha angu 1.5 lomuntu oseduze kwakho.

Thimulela, kumbe ukhwelelele phakathi kwendololwane.

Geza izandla ngesepa ngazo zonke izikhathi nxa ungena endlini.

Yebo, geza izandla zakho ngesepa lamanzi okwemizuzwana engu 20 ngali ndlela:

1. Manzisa izandla

2. Gcoba izandla
ngesepa kumbe
umlotha

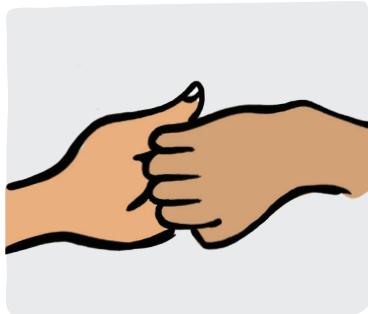

3. Impama

4. Phandle kwezandla

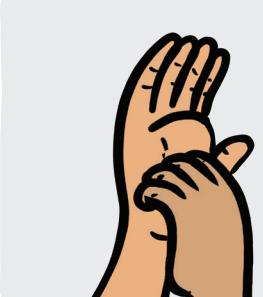

5. Phakathi kweminwe

6. Ngemva kweminwe

7. ISithupha

8. Inzipho

9. Hlambulula izandla
ngamanzi agelezayo.

10. Yesula izandla zakho
ukuze zome

Ngalindlela
i-Corona ayihlali
ezandleni zakho.

Lapho ungela manzi lesepa sebenzisa
amafutha ahlanza izandla (alcohol based
handrub) kumbe uzame ngazozonke izikhathi
ukuthi ungabambi ubuso uze uthole ithuba
lokugeza izandla.

Bangane, nxa sonke singengabela ukuthi i-Corona ingene
emzimbeni yethu siza kwehlisa ukumemetheka kwegcikwane.
Okwakhathesi asihlaleni ezindlini, sibale ingwalo zethu, sidlale
imidlalo yendlini senze lomsebenzi wesikolo esawuphiwa
ngabalalisi. Asabenzi ulwazi esesilalo kwabanye esibaziyo.
Siliqembu elingengabela ukumemetheka kwe Corona Virus.
